We wish to inform you that your bible training institution, **ALL NATIONS THEOLOGICAL SCHOOL** is now given a provisional accredited membership in our team of Bible Training Schools, Colleges, Seminaries and Universities world-wide in accordance with Article 6 section 10.7 of our constitution. The number WABTIS/PAM/0722014 is your provisional accredited membership number. As a member your sole mandates is to train worker for the expansion of the Kingdom of God.

Note that provisional membership is not the same as Full membership; it merely is the initial step toward full membership status.

Membership Certificate is issued to an intending Institution seeking full accreditation for a period of one year pending when a fee of \$50USD is paid to the international secretariat of the World-Wide Association of Bible Training Institutions. The Association reserves the sole right to deny an intending Institution full membership.

The Proprietor/Founder of your Institution is now recognized as a Fellow of WABTIS and is permitted to use the acronym (FWABTIS) after his name.

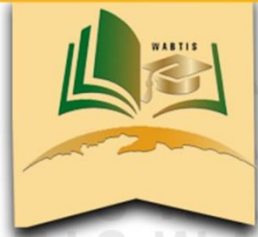

Provisional members become full members after they satisfy additional requirement such as payment of annual membership fee of \$50.00 USD and quarterly reporting.

This temporary accreditation status is for a period of up to one year, provided that the school submits the required Annual Report to WABTI at the end of the one year and apply for full accreditation.

Note that the provisional membership certificate records an expiration date because this status with WABTI is for a definite period of time, and no renewal Certificate except upon application for full accreditation and a payment of a non-refundable membership fee of \$50 USD.

Kindly find attached your membership certificate.
